

MMHC is looking to hire Nurse Practitioners, Physician Assistants, or Physicians.

We are a tribally owned and operated community health clinic in the nationally designated historic town of Jamestown, California. We're nestled in the epically beautiful foothills of the Sierra Nevada Mountain range. We embrace a team-based, patient-centered model of care, which includes behavioral health, medication-assisted therapy, and (soon) acupuncture. Enjoy work/life balance in rural peacefulness.

- 4-ten hour shifts/week, no weekends, 20 PTO days per year and 14 paid holidays
- Excellent benefits
- 403-B with 5% employer match
- Year-round outdoor recreation without the crowds; Yosemite in your backyard
- Opportunity to be part of an amazing team. Provide patient-centered trauma-informed care
- Integrate and collaborate with medical and behavioral health colleagues
- Scribe program
